Welcome

Message

Welcome to Stratovate Solutions (Pty) Ltd.

Stratovate is a Pretoria-based consultancy, 100% black owned and 100% woman owned. We help corporates, funders, public bodies, institutions and emerging enterprises turn strategy, operations and logistics, corporate social responsibility and enterprise development into measurable, lasting results.

Our two directors bring strategic and stakeholder expertise together with more than twenty years of hands-on operations experience. We work where funding meets delivery: we design programmes, build the systems and compliance behind them, and report outcomes honestly.

Stratovate is a Level 1 B-BBEE contributor with 135% procurement recognition, tax compliant and verified on the Central Supplier Database.

Strategy and operations	Measurable impact	Trusted delivery
Direction and delivery together	Results funders can verify	Compliant and procurement ready

Stratovate SOLUTIONS

Vision
& Mission

Vision

To be a trusted South African partner that turns responsible business spending into real economic participation for people and enterprises that have been left on the margins.

Mission

To design and deliver practical strategy, CSR and enterprise development programmes that are properly implemented, measured and reported, so that funders see results and beneficiaries build lasting capability.

Stratovate SOLUTIONS

Our Core
Service Areas

Stratovate Solutions provides strategy, delivery and honest reporting to corporates, public entities, non-profits and growing businesses. Our core service areas help clients govern well, run projects efficiently and deliver measurable community impact.

01	02	03	04
Strategy & Governance	CSR Programmes	Operations & Logistics	Supplier Development

Strategy & Governance
We help organisations set clear direction, strengthen governance and align strategy with day-to-day delivery.

CSR & Enterprise Development
We design and run socio-economic programmes that build skills, enterprises and measurable community impact.

Operations & Logistics
We manage programme logistics, supply chains and project coordination so delivery runs on time and on budget.

Enterprise & Supplier Development
We support small and emerging businesses with mentorship, compliance readiness and access to opportunities.

Strategy, delivery and honest reporting

Practical &
Extended Support

Alongside our core service areas, Stratovate Solutions supports clients with specialist services that strengthen bids, reports and enterprise capability. Each is delivered with the same focus on practical delivery, accuracy and honest reporting.

01	02	03	04
Tender Support	Bid Readiness	Research & Editing	Mentorship

Tender Support
We prepare complete, well-structured tender responses, from requirement analysis to final submission.

Compliance & Bid Readiness
We help you assemble and check the documents, certificates and declarations that bids and audits require.

Research & Editing Support
We support reports, impact assessments and proposals with rigorous research, clear writing and careful editing.

Training & Mentorship
We deliver entrepreneurship training and mentorship that help owners and teams build stronger, more resilient businesses.

Products and Supplies
We also supply dog food, cleaning products and stationery to homes, schools, offices and businesses, alongside our advisory work.

Honest reporting. Practical delivery. Real impact.

How We
Support Clients

Our Approach

Stratovate Solutions works with clients in a practical, structured and honest way. We begin by understanding the client's need and agreeing the scope of work. We then plan, deliver and report against clear milestones, so every programme is accountable and fit for purpose. Our directors stay involved from the first meeting to the final report.

Client Support Areas

Programme Design & Delivery

We design and run enterprise development, skills and community programmes, from planning through to final reporting.

Operations, Logistics & Supply Chain

We coordinate logistics, procurement and suppliers so that programmes and projects run on time and within budget.

Compliance, Reporting & Bid Readiness

We prepare tender responses, compliance documents and clear impact reports that stand up to scrutiny.

What Makes
Us Different?

Stratovate Solutions combines strategy with operations. We understand the systems behind the work as well as the programme itself. Our strength lies in practical delivery, accurate records, honest reporting and a Level 1 B-BBEE status that adds value to our clients' own scorecards.

Delivery, not just advice

We plan, run and report on programmes ourselves, so clients get results.

Strategy and operations together

We link governance and strategy to logistics and day-to-day delivery.

Level 1 B-BBEE, 135% recognition

Spend with us earns 135% procurement recognition, which strengthens a client's own scorecard.

Who We Serve

We support corporates, public entities, funders, non-profits and community initiatives, together with small businesses, agricultural producers and farmers, and higher education institutions. Each needs dependable strategy, programme delivery, logistics, research and compliance support.

Compliance
& Accreditations

Stratovate Solutions is a fully registered, tax compliant, 100% black and woman owned company with a Level 1 B-BBEE rating. We meet the procurement and compliance requirements of corporate and public sector clients, so organisations can transact with us through formal procurement channels with confidence.
